Fond Farewell

As many of you know, CVSS said goodbye to **Dr. Matthew Keats** earlier this year. Dr. Keats received his surgical training with us as a surgical intern and a surgical resident from 2001 to 2005. He remained with us a staff surgeon at our Towson office for 4 1/2 years. As with most former residents that remain on staff, Dr. Keats eventually decided it was time to spread his wings. He left our team under the best of terms to join the surgical team at Veterinary Referral Associates in Gaithersburg. Dr. Keats is joining **Dr. Betsy Arthur**, our most recent CVSS resident, at VRA. This will only strengthen the good working relationship we have always had with VRA. We wish both Matt and Betsy all the best.
